WHEREAS, the Debtors have agreed to grant to Secured Party a security interest in certain railroad equipment (hereinafter called the "Equipment") owned by Debtors and described in Exhibit "A" which is attached hereto & made a part hereof for all purposes, as security for payment of the Note; and

WHEREAS, Lease Investment Corporation, a Texas corporation, ("LICO") and Debtors entered into that certain Management Agreement (hereinafter called "Management Agreement") whereby LICO manages, leases and operates the Equipment on behalf of Debtors; and

WHEREAS, the Debtors have agreed to assign and grant to Secured Party all their rights, title and interests in and under said Management Agreement as Security for payment of the Note;

NOW, THEREFORE, in consideration of the advance under the above described Note and the promises contained herein, the parties hereto hereby agree as follows:

Section I. Creation of Security Interest.

Debtors hereby grant to Secured Party a security interest and chattel mortgage in the Collateral described in Section II of this Security Agreement to secure performance and payment of (i) the Note described above, and (ii) all renewals, rearrangements and/or extensions of the Note.

Section II. Collateral.

The Collateral granted by this Security Agreement is all of the right, title and interest of Debtors in and to (i) the Equipment described on Exhibit "A" hereto, (ii) the Accounts and Contract Rights arising under the Management Agreement described above between Debtors and LICO, (iii) all leases ("Lease Agreements") now or hereafter existing, including but not limited to leases between LICO as Lessor and other entities as Lessees, on the Equipment, (iv) all of Debtors' rights to receive and collect all per diem mileage payments now or hereafter to become payable to the Debtors with respect to such Equipment, and (v) the proceeds of such Collateral. In the event the Secured Party shall charge and/or collect monies which are deemed to constitute interest which would otherwise increase the effective rate on the Note to a rate in excess of that permitted to be charged by applicable law, then all such sums deemed to constitute interest in excess of the maximum rate permitted by applicable law shall be immediately returned to the Debtor upon such determination or shall be deemed applied to the principal as a prepayment, at Secured Party's election.
